

OFFICE SOLUTIONS

Folding and Finishing

Our full line of document folders are the ideal solution for any business, church, school, or print-for-pay center that demands quick and easy set-up. Our models provide a full-color touchscreen control panel, fully automated fold plates, pre-programmed fold settings, and storage memory. When it comes to paper folding, no one does it faster or with higher quality.

Folds available: Letter, Zig Zag, Half, Gate, Fold out, Double Parallel

FORMAX[®]

FORMAX FD38xi Automatic Document Folder

Features a full-color, easy-to-use touchscreen control panel. Fully automated fold plates and AutoStack™ stacker wheels provide one-touch setup of the 18 pre-programmed fold settings or for choosing one of the 36 custom folds that can be stored into memory.
